Christ's Church of the Valley High School Youth Coach (2014 to present)
Designed to meet teens right where they are, CCV's High School Ministry provides an authentic environment where our teens can connect with their Creator in a real and powerful way. I have worked with the high school age group in coaching for many years and Christ has blessed me with a platform to mentor these young men in a Godly way. We meet every Sunday to worship and get into God's word, continuing the journey to become closer to Christ in all areas of our lives.
